SCHOLARSHIP RECOMMENDATION

Dear Teacher of the Scottish Arts:

Thank you so much for your dedication of time and talent to keeping the Scottish arts alive and flourishing. As the scholarship committee considers applications for financial support to students of the Scottish arts, it is important for us to understand certain information about the applicants to be able to make smart allocations of our scholarship funds. We view this process much as an investment for the future of Scottish culture in the greater Pittsburgh area. Your input by answering the following questions helps us to do that. Narrative comments are especially helpful for us to fully understand your feedback about the student. We would prefer for you to type your response below and save the document to return electronically. We will, however, accept hard copy responses.
